The Pulpit

Job, can you imagine. All of his friends telling him that God has afflicted him so terribly because he is such a sinner? Job keeps saying that he is not such a great sinner. Oh, he admits he is a sinner, just like all of us are. But, Job has not sinned to such an extent that God should afflict him so much.

These people seemed to believe that God would punish you in this life because of your sins. We know that isn't true. Just look around you. There are business men and women and politicians and just plain folks everywhere that are truly great sinners and yet they aren't afflicted by God, are they? All of them? I'll let you in on a little secret. If they don't belong to Jesus, if they aren't saved, they can do pretty much as they like

in this life and God won't do much. No, it's only the Saints that God regularly corrects. And that isn't the real source of most of our afflictions. They come because God allows but through the effort of Satan. Remember Satan said to God in the beginning of Job that if God would only take His protective hand from Job and allow Satan to afflict him then Job would curse God to His face. In other words, the real source of the affliction towards Job was Job's righteousness, not his sin.

Church Needs

Bibles

- **Bibles for Moses.**

The cost to send Bibles to Uganda has just become prohibitive. We have located a source for Bibles in Uganda and will purchase them locally for Moses to pick up in the future. We have agreed with Moses on the Bible publication we will use and it is a local

language which is a bonus for the people of Uganda.

Please continue your support for the Bible Fund.

Building Fund

We have submitted all the paper work for a possible low interest mortgage.

We still have major projects we need to complete. The kitchen, baths, Sanctuary stage, and electrical upgrades. Our large future project is HVAC systems for the church. These are needed in order for us to have a child care program at the church. Child care is a great need for the neighborhood.

We completed our first wheelchair carrier and delivered it to Charlie this month. Our grateful thanks to those businesses and people that contributed time, material and money to make it happen. Charlie's 350 pound wheel chair easily loaded on the carrier and Charlie was well pleased.

Woodhaven Bible Study

Again a month of blessings. We finished First Corinthians and will start the second book the first Tuesday of October.

I want to shout out a great big Thank You to all those staff at Woodhaven that work so hard to have everyone in place for the weekly Bible study as well as the Sunday Services. It is a large effort that requires getting between 10 to 30 people in a given place at a given time all while the other residents also need attention. Thank you, we couldn't do it without you.

This year we plan on having an antique tractor pulling our hay wagon. It will start on a Saturday December 19th at 2:00 PM and will finish with hot cocoa and goodies.

Moses Special Support.

Moses has responsibility for his family since his father is out of the country trying to find work. This month both of his sisters have finished school and they must stand for their examinations in or-

der to get their diplomas. The examinations cost money and more money that Moses has available. Moses asked Grace Bible to help. I am pleased and proud to say that we raised the needed funds and a bit more and Moses had the money needed to complete his sisters education.

Anointed Name of Jesus Christ!

I bring greetings to you from Africa and more especially My Family. I would so much want to express my sincere Gratitude to everyone who Contributed money for my sister's Exams May God bless you so much. Thank you so much. Thank you Pastor Steve and each one of you.

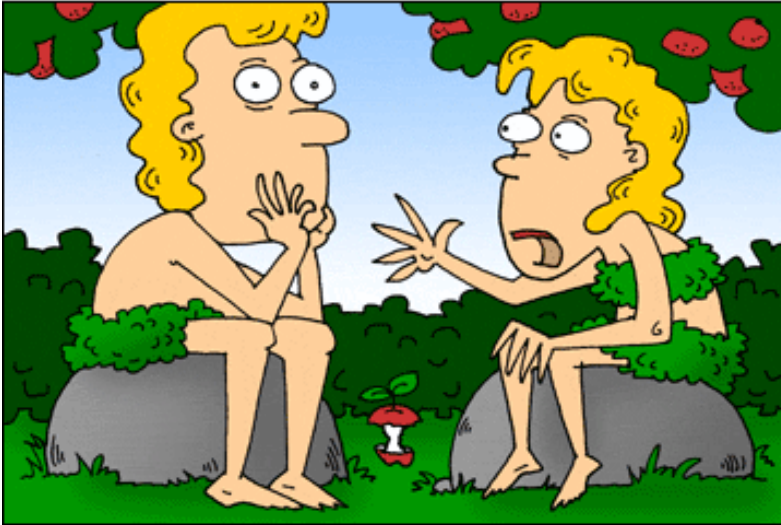

Moses on Mission

Calvary Christian Greetings to you through the mighty

Well I traveled this time not so far away from the capital city because I had been invited by some local leaders in a not-so-far-away area from the city to speak in a Prayer seminar. To teach how to pray, the importance of prayer, why we need to pray, the results of prayer and also relate to the Bible the Men, the women who prayed, show examples of prayer, and so much more. I had to reveal the enemies of prayer, etc.

IT WAS A MISTAKE ... IT'S NOT LIKE THE WHOLE WORLD HAS TO KNOW

God was so merciful and wondrous because the Prayer Seminar went on well.

We had planned with the hosting Church that we would organize ourselves with the team that I had traveled with from Kampala and get connected with the team of evangelists from the hosting Church and carry out evangelism in the morning and then we would meet up again in the evening. I was out in the Door-to-Door Ministry only two times because I had to teach in the seminar.

The outdoor evangelism Team was doing a wonderful work out there, we always met in the morning around 5:00am and we gathered up to pray for the entire community and the area as well as the seminar. This area was categorized in Uganda to be the top most districts that practices witch craft and also tops to have the highest number of human sacrifice. The area is covered with many hills which are worshipped by sorcerers and witch doctors claiming their gods rest on those hills.

These gods are offered sacrifices such as goats, chickens, and all other animals. Also on these hills ritual ceremonies are performed and blood is spilt on the rocks of these hills.

Kidnapped children and adults are sacrificed on these hills depending on what these gods have asked for, I was also told that gods ask for human ears, tongues, hair... breasts etc. so we had a reason to pray for the salvation of the people in the area. Most of the homes that were visited by the door-to-door evangelism team had lost two to three children who had been found dead. Many parents committed suicide, others were mentally disturbed due to the kind of deaths their children had been endured.

Local authorities have tried, and have saved a number of children who were about to be sacrificed and those concerned have been put in prison. but this hasn't stopped the witchdoctors. So this

prayer meeting was about all this.

I am so glad that Jesus was manifested in the meeting, people received Christ in the gathering as well as in the Door-to-Door Ministry.

In the seminar, people increased each day; others came from very far places like the couple who came from an island. They were local leaders in their community and had ridden more than 100 miles on the bicycle to come and attend the seminar! That was so amazing,

At the end of the seminar I was able to give out Bibles to those pastors, youth leaders and to few Believers who never had one. This time a few Bibles were given out in the evangelism field. I would wish to thank you so much for the Bibles, May God bless you so much. These People were so happy and glad..One pastor amazed me as I gave them out he said to a friend who told me later that he never wanted to get the Bible because he thought he was going to have to pay for it! He told my friend that 'in Uganda, nothing is for free!' I am so glad that the people received these Bibles freely of Charge. I am so Grateful for everyone who supports my missionary trips, May God bless you. I am so thankful to pastor. Carl of Bezeugen Ministries you have been a blessing for shipping us the tracts..These tracts were given out in the Door to Door Ministry and even in the seminar.

The total Number of those who received Christ from the

indoor Meeting to the Outdoor Evangelism was 65 souls who were won for Christ. And on the last Day which was a Sunday, we baptized them just like the Bible commends us to do. They were happy to be part of Gods Kingdom.

I love you so much and thank you for supporting The Gospel and the Work of the Lord.

May God reward you abundantly.

In His service and your true Brother in Faith,

Moses Muwanguzi

PHH-Uganda The Movie

Moses has the first edited version of the script and he has the comments about my portion. The story will revolve around a couple of children and how their lives have been affected with the loss of their parents. I am really looking forward to my copy of the script.

Moses will receive the money to rent the equipment and crew as soon as he and Lori have produced a script. Then Moses will edit the movie and produce the final form.

We are planning to put the movie on YouTube and making it available for churches. We are looking for monthly contributors, any amount from as low as \$5 to as much as can be given. It costs \$30 per year to send a child to school. Many will be able to afford \$30 per month. What a blessing that would be. You would be sending 12 children to school each year.

Perhaps you know of a church or organization who would show The Movie. Let me know and I will be sure you get a copy. The Movie should be available by the first of the year.
